

**REMARKS**

Claims 1, 2, 5, 13, 16, 29-31, 33 and 43-48 were provisionally rejected on the ground of nonstatutory double patenting over claims 1-3, 10, 17, 18, 27 and 29-32 of copending Application No. 10/785,157, which has been allowed. Applicant submits herewith a timely filed terminal disclaimer. Thus, this rejection is now moot and should be withdrawn.

Claims 1, 13 and 29 were provisionally rejected on the ground of nonstatutory double patenting over claims 1, 14, 21, 31 and 38 of copending Application No. 10/969,054. However, the '054 application has **not** been allowed and will be abandoned. Thus, this provisional rejection is also moot and should be withdrawn.

In view of the above, Applicant now believes all claims to be in condition for allowance. Applicant respectfully requests that a Notice of Allowance be issued as soon as possible in view of the resolution of all pending rejections and the extreme prosecution time expended in this application. If there are any questions, the Examiner is invited to call Applicant's representative Rodney Fuller at (602) 916-5404 to resolve any remaining issues to expedite the allowance of this application.

Respectfully submitted,

Date: May 5, 2009

/Rodney J. Fuller/
